Madam/Sir,

Subject:- Clearance of import of metal scrap-Procedure-regarding

I am directed to say that the following Circulars have been issued relating to :
procedure for clearance of **imported metal scrap namely:-**

- (i) 56/2004-Cus. dated 18.10.2004,
- (ii) 02/2005-Cus. dated 12.01.2005,
- (iii) 10/2005-Cus. dated 22.02.2005,
- (iv) 24/2005-Cus. dated 24.05.2005,
- (v) 32/2005-Cus. dated 28.07.2005,
- (vi) 35/2005-Cus. dated 22.08.2005,
- (vii) 28/2007-Cus. dated 14.08.2007

2 The issue has been reviewed in the light of the changed scenario. The Director General Foreign Trade, Ministry of Commerce and Industry, Government of India has issued a Public Notice No. 38 2015-2020 dated 06.10.2016 (followed by a Corrigendum by way of a Public Notice No. 40 2015-2020 dated 25.10.2016) governing import of un-shredded Metallic Waste and Scrap under Para 2.54 of Handbook of Procedures (2015-2020).

2 With the approval of the competent authority, it has been decided to withdraw the aforesaid Circulars with immediate effect.

3 It has been further decided that the following procedure for clearance of imported metal scrap (both ferrous and non-ferrous) shall be adopted:

- (i) Import of metal scrap in shredded form will be permitted through ports/ICDs/CFSS/LCSs without any pre-shipment certificate as per the existing practice.

(ii) Import and clearance of un-shredded compressed or loose metallic scrap, shall be subject to the guidelines issued the Director General of Foreign Trade, Ministry of Commerce and Industry, Government of India under Public Notice No. 38/2015-2020 dated 06.10.2016 (followed by a Corrigendum by way of a Public Notice No. 40/2015-2020 dated 25.10.2016) and as per the following procedure:

(a) The consignments of un-shredded, compressed or loose scrap shall be cleared only through those EDI ports where Risk Management Module is operational. These consignments will be subjected to documentary or physical check on the basis of selection done by Risk Management System.

(b) All the designated sea ports as specified in the DGFT Public Notice No. 38/2015-2020 dated 06.10.2016 are expected to install and operationalize Radiation Portal Monitors and Container Scanners by 31.03.2017 and till such time, the consignments of un-shredded, compressed or loose scrap shall be subjected to scanning based on risk assessment at those ports where such facilities for scanning are currently existing.

(c) Depending upon the congestion at the Port/ICD, the availability of manpower and the antecedents of the importer, the concerned Principal Commissioner/Commissioner of Customs or Principal Commissioner/Commissioner of Central Excise, as the case may be, may permit the importer to remove the sealed container at his own risk and cost to his factory premises under re-warehousing procedure. This would be subject to conditions specified in (a) & (b) above.

4. These instructions may be implemented with immediate effect.

5. The difficulties, if any, in implementing these procedures, should immediately be brought notice of the Board.

6. The above guidelines may be brought to the notice of the Trade immediately through appropriate Public Notice/Trade Notice.

7. Receipt of this Circular may kindly be acknowledged.

8. Hindi version will follow.

Metal scrap — Procedure for clearance of imported Metallic Waste and Scrap

Circular No. 48/2016-Cus., dated 26-10-2016

F. No. 450/148/2009-Cus.IV

Government of India
Ministry of Finance (Department of Revenue)
Central Board of Excise & Customs, New Delhi

Subject : Clearance of import of metal scrap - Procedure - Regarding.

I am directed to say that the following Circulars have been issued relating to the procedure for clearance of imported metal scrap namely :-

- (i) 56/2004-Cus., dated 18-10-2004 [2004 (172) E.L.T. (T36)],
- (ii) 2/2005-Cus., dated 12-1-2005 [2005 (179) E.L.T. (T29)],
- (iii) 10/2005-Cus., dated 22-2-2005 [2005 (181) E.L.T. (T9)],
- (iv) 24/2005-Cus., dated 24-5-2005 [2005 (184) E.L.T. (T13)],
- (v) 32/2005-Cus., dated 28-7-2005 [2005 (186) E.L.T. (T30)],
- (vi) 35/2005-Cus., dated 22-8-2005 [2005 (187) E.L.T. (T3)],
- (vii) 28/2007-Cus., dated 14-8-2007 [2007 (214) E.L.T. (T22)]

2. The issue has been reviewed in the light of the changed scenario. The Director General of Foreign Trade, Ministry of Commerce and Industry, Government of India has issued a Public Notice No. 38/2015-2020, dated 6-10-2016 (followed by a Corrigendum by way of a Public Notice No. 40/2015-2020, dated 25-10-2016) governing import of un-shredded Metallic Waste and Scrap under Para 2.54 of Handbook of Procedures (2015-2020).

2. With the approval of the competent authority, it has been decided to withdraw the aforesaid Circulars with immediate effect.

3. It has been further decided that the following procedure for clearance of imported metal scrap (both ferrous and non-ferrous) shall be adopted :

- (i) Import of metal scrap in shredded form will be permitted through all ports/ICDs/CFSS/LCSs **without any pre-shipment certificate** as per the existing practice.
- (ii) Import and clearance of un-shredded compressed or loose metallic scrap, shall be subject to the guideline issued by the Director General of Foreign Trade, Ministry of Commerce and Industry, Government of India under Public Notice No. 38/2015-2020, dated 6-10-2016 (followed by a Corrigendum by way of a Public Notice No. 40/2015-2020, dated 25-10-2016) and as per the following procedure :
 - (a) The consignments of un-shredded, compressed or loose scrap shall be cleared only through those ED ports where Risk Management Module is operational. These consignments will be subjected to documentary or physical check on the basis of selection done by Risk Management System.
 - (b) All the designated sea ports as specified in the DGFT Public Notice No. 38/2015-2020, dated 6-10-2016 are expected to install and operationalize Radiation Portal Monitors and Container Scanners by 31-3-2017 and till such time, the consignments of un-shredded, compressed or loose scrap shall be subjected to scanning based on risk assessment at those ports where such facilities for scanning are currently existing.
 - (c) Depending upon the congestion at the Port/ICD, the availability of manpower and the antecedents of the importer, the concerned Principal Commissioner/ Commissioner of Customs or Principal Commissioner of Central Excise, as the case may be, may permit the importer to remove the sea container at his own risk and cost to his factory premises under re-warehousing procedure. This would be subject to conditions specified in (a) & (b) above.

4. These instructions may be implemented with immediate effect.

5. The difficulties, if any, in implementing these procedures, should immediately be brought to the notice of the Board.

6. The above guidelines may be brought to the notice of the Trade immediately through appropriate Public Notice/Trade Notice.

7. Receipt of this Circular may kindly be acknowledged.

8. Hindi version will follow.

2. With the approval of the competent authority, it has been decided to withdraw the above Circulars with immediate effect.
3. It has been further decided that the following procedure for clearance of imported metal scrap (both ferrous and non-ferrous) shall be adopted:
- (i) Import of metal scrap in shredded form will be permitted through all ports/ICDs/CFPs/ICFs without any pre-shipment certificate as per the existing practice.
 - (ii) Import and clearance of un-shredded compressed or loose metallic scrap, shall be subject to the guidelines issued by the Director General of Foreign Trade, Ministry of Commerce and Industry, Government of India under Public Notice No. 38/2015-2020 dated 06.10.2016 (followed by a Corrigendum by way of a Public Notice No. 40/2015-2020 dated 25.10.2016) and as per the following procedure:
 - (a) The consignments of un-shredded, compressed or loose scrap shall be cleared only through those EDI ports where Risk Management Module is operational. These consignments will be subjected to documentary or physical check on the basis of selection done by Risk Management System.
 - (b) All the designated sea ports as specified in the DGFT Public Notice No. 38/2015-2020 dated 06.10.2016 are expected to install and operationalize Radiation Portal Monitors and Container Scanners by 31.03.2017 and till such time, the consignments of un-shredded, compressed or loose scrap shall be subjected to scanning based on risk assessment at those ports where such facilities for scanning are currently existing.
 - (c) Depending upon the congestion at the Port/ICD, the availability of manpower and the antecedents of the Importer, the concerned Principal Commissioner/Commissioner of Customs or Principal Commissioner/Commissioner of Central Excise, as the case may be, may permit the Importer to remove the sealed container at his own risk and cost to his factory premises under re-warehousing procedure. This would be subject to conditions specified in (a) & (b) above.
4. These instructions may be implemented with immediate effect.
5. The difficulties, if any, in implementing these procedures, should immediately be brought notice of the Board.
6. The above guidelines may be brought to the notice of the Trade immediately through appropriate Public Notice/Trade Notice.

Sub: Clearance of Import of Metal scrap - reg.
Ref.: CBEC Circular no. 48/2016 dated 26-10-2016 (copy enclosed)

Dear Sir,

With reference to subject matter, it is reiterated that vide above CBEC circular, certain procedure has been issued for clearance of imported metal scrap (both ferrous and non-ferrous). This has been issued in continuation of DGFT Public Notice no. 38/ (2015-2020) dated 06-10-2016

During course of interacting with Trade for attracting more business at ICD/Ratlam, interest have been evinced towards bringing Import Containers of Metal scrap as same is expected to reduce their logistics cost besides enhancing their convenience due to their establishment being in vicinity of ICD/Ratlam

As you are well aware that Import volumes have already come down at ICD and both CONCOR & Customs need to take steps for its revival. An increase in imports would facilitate availability of empty Containers which in turn will make Containers available to export customers for outward movement. With such an intention, it is desirable that advantage is taken of policy guidelines issued vide Circular under reference

In view of above, it is requested to give your formal go ahead so that marketing efforts can be given an impetus and deliberations with potential Scrap importers customers be taken to a logical conclusion in the interest of both CONCOR & Customs

For & on behalf of
Container Corporation of India Ltd.

(Harshvardhan Gautam)
Terminal Manager
ICD/Ratlam
